

## CV

Magnus Lovén Wallerius  
September, 2017

### **Contact:**

University of Gothenburg  
Department of Biological and Environmental Sciences  
Medicinaregatan 18A  
SE405 30 Gothenburg

E-mail: magnus.loven.wallerius@bioenv.gu.se

### **Education:**

Introduction to natural science. University of Gothenburg, 2010 – 2011.

B.Sc. Lund University, 2011 – 2014.

M.Sc. University of Gothenburg, 2014 – 2016.

Ph.D. University of Gothenburg, 2016 – Present

### **Publications:**

Lovén Wallerius M, Näslund J, Koeck B, Johnsson JI. Interspecific association of brown trout (*Salmo trutta*) with non-native brook trout (*Salvelinus fontinalis*) at the fry stage. *Ethology*. 2017 (*in press*).

*In preparation*

Koeck B., Lovén Wallerius M., Johnsson J. I. & Arlinghaus R. In prep. Threat perception in fish altered by short-term fishing closures: implications under different management scenarios.

*Submitted*

Zavorka L., Brijs J., Wengstrom N, Lovén Wallerius M., Naslund J., Koeck B., Aldven D., Lassus R., Hojesjo J. Johnsson J. and Cucherousset J. Low long-term repeatability of phenotypic traits indicates plastic pace-of-life in a wild population. *Oikos*.

M.Sc.

Title: The effects of angling: Catchability and learning in salmonids under different angling scenarios (2016).
